

SUPERSTITION MEADERY

BOURBON BARREL AGED SEIOBO

12% | 375 ML.

Made with fresh organic Suncrest peaches from Masumoto Family Farms! We flash freeze the peaches with liquid nitrogen to preserve their summer-perfected freshness before adding them to honey to create this delightful fresh and fine bodied libation. A gentle rest in a fresh bourbon barrel adds complexity and character, creating the perfect balance between peach and bourbon. Bourbon Barrel Aged Seiobo is named after the "Queen Mother of the West," a goddess who keeps a peach orchard that blooms every 1000 years. Rated 95 points on Ratebeer.com.
