

# SUPERSTITION MEADERY

## FAUNA

13.5% | 375 ML.

The mesquite tree has been an invaluable resource for native peoples of the Southwest for centuries. To celebrate this staple of desert culture, we crafted Fauna using Arizona mesquite blossom honey to create an off-dry traditional mead that truly encapsulates the terroir of the Sonoran Desert.

### APPEARANCE

Canary diamond

### NOSE

Golden kiwi, honeysuckle

### TASTE

Honey forward, with light melon, crisp green apple, and notes of loam
