

SUPERSTITION MEADERY

NINTH MANDALA

13% | 375 ML.

Ninth Mandala is a reference to the ancient Hindu poem exalting the spiritually purifying properties of mead, the sacred potion of the Vedic religion. As an homage to mysterious superstitions we worked with our friends from Moksa Brewing Company to create something truly special. We caramelized Arizona honey and fermented it with raspberries, vanilla, and pistachios, which we aged for 8 months in Blue Berry White barrels.
