

# SUPERSTITION MEADERY

## C.R.E.A.M. 14% | 500 ML.

Mostra Coffee and Mason Ale Works came together to collaborate with us on this rum barrel aged Kahlua-inspired BDSM. Mostra coffee spent months aging green coffee beans in a barrel that had previously held our Blackberry White mead. Combined with cacao nibs and vanilla, this mead develops a fruity complexity that is great on its own or used as a coffee liqueur stand-in. Coffee Rules Everything Around Me.
