

SUPERSTITION MEADERY

CUBAN MOJITO CRISIS 6% | 16 FL. OZ

Always up for a challenge, our Super Crew of mead makers sought to create a mojito inspired mead in a can, and they nailed it with the Cuban Mojito Crisis. With a hint of honey recalling the sugar cane stick of a classic mojito, a perfect slice of lime and a bunch of mint, even the bubbles impart the notion of club soda in this remarkable drink. Enjoy cold as ice and everything will be nice when you crack a can of CMC.
