

SUPERSTITION MEADERY

MUTINY IN PARADISE 14% | 500 ML.

Mutiny in Paradise was made to celebrate the 10 year anniversary of Superstition Meadery while paying homage to two of our favorite things, collaborations and barrel aging. We made this tropical treat with our friends at Rowley Farmhouse Ales in Sante Fe, NM and allowed it to rest in rum barrels...one month for each year of business. So raise a glass with us, or just pull the cork with your teeth and chug along, welcome to our second decade!
