

SUPERSTITION MEADERY

TRANQUILA 12.5% | 375 ML.

Tranquila represents more than meets the eye in this decadent chocolate vanilla mead. Superstition owner, Jeff Herbert, was introduced to homebrewing many years ago from a friend who happens to be a biologist and documentary filmmaker working with the Itapoa Project in Colombia. The Itapoa Project is growing cacao trees in jungle shade replacing coca production and fostering forest conservation while creating a fairtrade product for a small village. The nibs in this beverage are special to us, and happen to be very delicious.
